Screening Questions:

Name:	**Prashant Khanduri**
Current designation & Company:	**CTO @ Sn126 Inc**
Top 3 responsibilities in your current role:	**1: Building and maintaining production systems** **2: Architecting the core system** **3: Monitoring / analytics**
Why are you interested in looking for a new opportunity?	**Sunsetting current startup**
What inspires you to be a part of Bayut & Dubizzle family?	**The space seem to be that of a marketplace and given you have lots of traffic there must be great amount of data flowing into the system. Given my background in AI and building Data pipelines, I feel there is a great opportunity in building new products and new marketplaces for new verticals (Just like Dubizzle spun out from Bayut)**
Do you know anyone who is currently working at Bayut or dubizzle? If so, how do you know this person?	**No**
